Re: *Late Filed Ex Parte* Presentation  
Telecommunications Relay Services and Speech-to-Speech Services for Individuals with  
Hearing and Speech Disabilities; WC Docket No. 03-123

Dear Ms. Dortch:

On December 15, 2005, Steven Johnson, Paul Orloff and the undersigned, all of MCI, Inc., met with Monica Desai, Thomas Chandler, and Jay Keithley of the Consumer and Governmental Affairs Bureau to discuss the "Petition for Rulemaking to Mandate Captioned Telephone Relay Service and Approve IP Captioned Telephone Relay Service" placed on Public Notice in the above-referenced docket on November 14, 2005. In addition to discussing the Petition, MCI discussed generally the provision of captioned telephone relay service.

MCI intended to provide notice of this meeting on October 16, 2005, and filed a notice electronically through the Electronic Comment Filing System on that day. However, an incorrect ex parte notice was attached to the filing. MCI is filing this correct ex parte notice at this time to correct the record.

In accordance with the Commission's rules, MCI is electronically filing copies of this letter in the record of the above-referenced docket.

Very truly yours,

*/s/ John R. Delmore*
